## Venture Research

### Commercial Real Estate Appraisal & Consulting Services

Telephone: 925.935.4294

VENTURE RESEARCH is a commercial real estate appraisal and consulting firm based in Walnut Creek, California. Venture Research offers complete appraisal and consulting services for properties located primarily in the nine county San Francisco Bay Area. Types of appraisal and consulting services include valuations of retail buildings and shopping centers, office buildings, industrial buildings, apartments, subdivisions, mixed-use properties, vacant land, litigation support, estate valuations, partial interest valuations, market rent studies, feasibility studies, hotels, motels, restaurants, health clubs, conference centers, and other special use properties.

In addition, VENTURE RESEARCH understands that the timeliness of delivery of a quality report is paramount in effectuating transactions in today's market. Therefore, we strive to produce superior quality reports and consulting while keep communication open throughout an engagement in order to meet time constraints and client needs. All valuations comply with current, existing State of California OREA, Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute, Uniform Standards of Professional Appraisal Practice (USPAP) and client company guidelines.

VENTURE RESEARCH is under the ownership of Helen S. Reese. Ms. Reese has 30+ years of varied appraisal experience in various market areas - most notably northern and southern California. She has also aligned Venture Research with other independent appraisers with varying expertise to best meet the individual needs of Venture Research's clients.

The professionals associated with Venture Research are all state licensed, qualified and motivated, with strong educational and extensive experiential backgrounds.
